Pyramid Technologies Receives Employer of the Year Award In Recognition For Providing Meaningful Employment for Persons With Disabilities

MERIDEN, CT – (December 16, 2009) – Pyramid Technologies, (www.pyramidtechnologies.com), is pleased to announce it has been awarded Employer of the Year for Group Supported Employment programs by not-for-profit organization Kuhn Employment Opportunities, Inc.

Kuhn’s Employment Opportunities, Inc. is committed to developing quality skills enhancement programs to assist individuals with disabilities in gaining independence, self-esteem, and community acceptance by becoming part of Connecticut’s workforce.

“Over the past two decades we have had the honor and privilege of partnering with Kuhn,” says John Augustyn, President of Pyramid. “We look forward to continuing our work to help promote positive awareness among employees, the community, and our clients as to the capabilities and outstanding work ethic of people with disabilities.”

About Pyramid Technologies

For 40 years, Pyramid Technologies has provided value-minded time keeping solutions to businesses of all sizes and industries. Headquartered in Meriden, Connecticut, Pyramid manufactures products that range from simple mechanical time recorders to sophisticated time and attendance solutions to GPS synchronized wireless clock systems. **For more company information and employment opportunities at Pyramid Technologies can be found on www.pyramidtechnologies.com.**
