

**FOR IMMEDIATE RELEASE**

**Pyramid Hires New Vice President of Sales and Marketing**

MERIDEN, CT – (January 13, 2009) – Pyramid Technologies, ([www.pyramidtechnologies.com](http://www.pyramidtechnologies.com)), an established leader in the design and manufacture of time recording products and synchronized wireless clocks, recently hired Robert Lennon as Vice President of Sales and Marketing.

Lennon brings to Pyramid 15 years experience in sales leadership positions at several prestigious companies, including: Nestle USA, Energizer USA, Primo Water and Del Pharmaceuticals. Prior to joining Pyramid, Lennon served as National Sales Manager for Bayco Products in Tampa, Florida.

"We are excited to bring Bob Lennon on board as a critical member of our management team," stated John Augustyn, President of Pyramid. "Bob has a proven track record with considerable experience in the office products channel that will enhance the growth for both Pyramid and its customers. We are confident that 2009 will bring new and exciting opportunities for our company with Bob leading our sales and marketing efforts."

As part of his responsibilities, Bob will oversee Pyramid's newly formed relationship with The Highlands Group, an Atlanta-based sales and marketing firm that works with several large and diverse office product manufacturers.

Bob resides in Tampa, Florida, where he will work out of Pyramid's southeast regional office. Bob graduated from Indiana University's School of Business with a BS in Marketing.

**About Pyramid**

For 40 years, Pyramid Technologies has provided value-minded time keeping solutions for businesses of all sizes and from a variety of industries. Headquartered in Meriden, Connecticut, Pyramid manufactures products that range from simple mechanical time recorders to sophisticated time and attendance solutions and GPS synchronized wireless clock systems.
